### HOT TOPICS IN CRIMINAL LAW

6.00pm Tuesday 25 July 2017  
VENUE: Garden Court North Chambers

For our final meeting of the Summer we will be continuing with our criminal law theme and hearing from **Robert Stewart, Higher Court Advocate at Tranters Solicitors** and barristers from Garden Court North including **Mark George QC**.

Robert regularly defends clients facing a variety of serious criminal charges and will be speaking to us about his route into criminal law, his experience as a criminal defence solicitor and some of the issues facing junior criminal legal aid lawyers today.

Garden Court North barristers including Mark George QC will be speaking to us about a current hot topic in criminal law; 'Jogee' and its effect on the law on joint enterprise.

We hope to see lots of budding criminal and civil lawyers there keen to learn more about this fascinating area!
